Dear Mr. Tesfay ,

Thankyou very much for your letter of 19th July. I am enclosing a copy of a short script on the Chinese biogas programme, which also gives Dr. McVeigh's full address, in case you wish to write to him.

However, I rather doubt whether there is enough information in the script to be useful to you; but I would suggest that you write to the people named below, who are probably the best-informed in the UK at present on the use of biogas.
