Sir,

Thank you for your letter dated 2.4.84. We do not manufacture Biogas appliances. The appliances that were developed by us have been commercialised and there are about 37 manufacturerers of biogas burners/lamps in this country. List of manufacturerers is attached to this letter for your information.

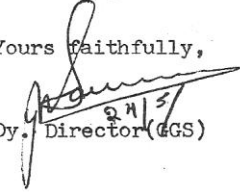

Of 37 manufacturers, M/s.Patel Gas Crafters Pvt. Ltd. (Sr.No.1 in the list) perhaps have made arrangements for export of their appliances. You may therefore write to them or any other manufacturer for your requirement.

Regarding Biogas engines, you may please write to M/s.Kirloskar Oil Engines Ltd., Lakshmana Rao Kirloskar Road, Pune-3, India.

We are making copies of this letter to both the above firms with a request to send the literature/catalogue to you directly.

We thank you for your kind words appreciating the work of our organisation in the field of Biogas.

Yours faithfully,

Dy. Director (GGS)
