SATURN C COMMISSIONING APPLICATION

I am hereby sending you completed commissioning application forms for three Saturn-C terminals bought from EB NERA A/S and already sent to Eritrea.

Our activities in Eritrea have drastically expanded due to the prevailing situation in the country. We are therefore sending these terminals to three new health and relief stations to ease communication problems.

I hope you will find time to process these applications the soonest possible time.

Best Regards

Emnetu Tesfay *E. Tesfay*
